Competition Format and Rules

Formato y reglas de la competencia / Format et règles de compétition

As of SAT 17 SEP 2018

Youth Olympic Competition Format

The Beach Volleyball competition at the Summer Youth Olympic Games Buenos Aires 2018 for both Men and Women consists of two phases - the preliminary phase and the final phase.

A total of 32 men and 32 women will take part in the competition in teams of two. In total, 144 matches will be played (72 men's and 72 women's).

Preliminary phase

The preliminary phase will consist of eight pools of four teams each in a round robin format.

Seeding of the teams and pool allocation will be determined by a draw to be conducted by the FIVB in cooperation with BAYOGOC on site, before the start of the competition.

The first three ranked teams from each pool (24 teams), advance automatically to the final phase, which will be played in single elimination format. These teams will be ordered into three groups (seeded group, group 1 and group 2) by their ranking in the pool round as follows:

- The seeded group (a total of eight teams) will be composed of the winners of each pool. This group will advance directly to the round of 16.
- Group 1 (a total of eight teams) will be composed of the second ranked teams of each pool
- Group 2 (a total of eight teams) will be composed of the third ranked teams of each pool

The teams from group 1 and group 2 will be drawn into the round of 24 (eight matches), respecting the following conditions:

- Teams from the same pool in the preliminary round must not meet in the round of 24
- Teams from the same pool in the preliminary round must not meet in the round of 16

Therefore, no team in a match in the round of 24 may come from the same pool as the seeded team that the winner of that match will meet in the round of 16.

Final phase

The 24 men's and 24 women's teams advancing to the final phase will play a single elimination system - a head-to-head match from which the winner advances to the next round, and the loser is eliminated from the competition.

Differences between the Youth World Championships and the Summer Youth Olympic Games

The competition format is similar to the Summer Youth Olympic Games. The Youth World Championships currently have 32 teams per gender.

Changes since the Summer Youth Olympic Games Nanjing 2014

The total number of participating teams has been changed.

The seeding regulation has been changed. Accordingly, the drawing of lots regulation has been changed.

Sport Rules and Procedures

Scoring

Each match is the best of three sets. The first two sets are played to 21 points and the third set, if needed, is played to 15 points. All sets require a two-point advantage (which is unlimited) to win.

Beach Volleyball uses the rally point system (sometimes referred to as RPS) where the team winning a rally scores a point regardless of which team is serving. When a team wins a rally, it gains a point and the right to serve.

At the completion of each match during pool play, two points will be awarded to the winner, one point will be awarded to the loser. Zero points are awarded to a forfeited team.

Ranking in pools

In the case of a tie in the pools (match points) during the round robin, the following rules will apply:

- Between two teams:
 - The team with higher rally points ratio in the matches between all teams in the pool, is ranked higher
 - If a tie still exists by rally points ratio then the teams have the same position in ranking
- Between three teams:
 - If three teams have a tie in the main points, then the teams are ranked by the rally points ratio in the matches between the three tied teams
 - If a tie still exists then the tied teams are ranked by the rally points ratio between all teams in the pool
 - If a tie still exists then the teams have the same position in the ranking
- Between four teams:
 - The ranking is determined by the rally points ratio between all teams in the pool
 - If a tie still exists then the teams have the same position in ranking

In the case of a tie in the pools (match points) at the end of the round robin, the following rules will apply:

- Between two teams:
 - The team with higher rally points ratio in the matches between all teams in the pool, is ranked higher
 - If a tie still exists, then the winner of head-to-head match is ranked higher
- Between three teams:
 - Teams are ranked by the rally points ratio in the matches between the three tied teams
 - If a tie still exists then the teams still tied are ranked by the rally points ratio between all teams in the pool
 - If a tie still exists then the teams still tied are determined by the tournament seeding established at the General Technical Meeting (the better seed of the tied teams ranked higher, i.e. seed 15 is ranked higher than 18)

Protests / Appeals

On court disputes shall be resolved under FIVB Regulations as per Protest Protocol directives. The Game Jury shall decide if the protest will be initiated, rejected or accepted at Level 1. The TD/CC will be in charge of resolving any on court protest confirmation at Level 2.

All protests and appeals must be lodged with the FIVB Control Committee in writing no later than sixty minutes after the end of the match.

Protests based on the rules of the game will be studied and resolved by the referee delegate and passed on to the FIVB Control Committee no later than six hours after the protest is submitted. A final verdict will be given by the jury no later than twelve hours after the protest is submitted, or at the latest before the start of the following match of the team concerned.

FIVB Control Committee members of the same nationality as the team making a protest will be excluded from the deliberations when the protest is being studied.

FIVB Control Committee

The judges and jury for Beach Volleyball are chosen in accordance with the FIVB regulations.

The FIVB Board of Administration will appoint 10 FIVB Control Committee members, one FIVB Technical Delegate, one Event Delegate and one Referee Delegate who will also perform the duties of jury of appeal for Beach Volleyball.

The FIVB will be responsible for the technical control and direction of the Youth Olympic Beach Volleyball competition.

Appointment of Referees

A total of 16 referees oversee the competition, appointed by the FIVB from the pool and the host international pool. The FIVB will be responsible for appointing referees for each match.

Penalties / Disqualification Rules
